

fuels and petrochemical feedstocks. Fuels produced include gasoline, jet fuel, kerosene, gas oil, diesel fuel, residual fuels, and naphthas. Petrochemicals include hydrogen, methane, ethane, propane, benzene, toluene, xylene, ethylene and propylene. Refinery by-products include petroleum coke, sulfur, lubricating oils, and paraffin wax. Most of the crude oil (80 percent of inputs), and some feedstocks and motor fuel blendstocks are sourced abroad.

Zone procedures would exempt the refinery from Customs duty payments on the foreign products used in its exports. On domestic sales, the company would be able to choose the finished product duty rate (nonprivileged foreign status—NPF) on certain petrochemical feedstocks and refinery by-products (duty-free). The duty on crude oil ranges from 5.25 cents to 10.5 cents/barrel. The application indicates that the savings from zone procedures would help improve the refinery's international competitiveness.

In accordance with the Board's regulations (as revised, 56 FR 50790–50808, 10–8–91), a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is July 24, 1995. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to August 8, 1995.)

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations:

## International Trade Administration

### Determination Not To Revoke Antidumping Duty Orders and Findings Nor To Terminate Suspended Investigations

**AGENCY:** Import Administration,  
International Trade Administration,  
Department of Commerce.

**ACTION:** Determination not To revoke  
antidumping duty orders and findings  
nor to terminate suspended  
investigations.

**SUMMARY:** The Department of Commerce (the Department) is notifying the public of its determination not to revoke the antidumping duty orders and findings nor to terminate the suspended investigations listed below.

**EFFECTIVE DATE:** May 25, 1995.

**FOR FURTHER INFORMATION CONTACT:**  
Michael Panfeld or the analyst listed  
under Antidumping Proceeding at:  
Office of Antidumping Compliance,  
Import Administration, International  
Trade Administration, U.S. Department  
of Commerce, 14th Street & Constitution  
Avenue NW., Washington, D.C. 20230,  
telephone (202) 482–4737.

**SUPPLEMENTARY INFORMATION:** The  
Department may revoke an antidumping  
duty order or finding or terminate a  
suspended investigation, pursuant to 19  
CFR 353.25(d)(4)(iii), if no interested  
party has requested an administrative  
review for four consecutive annual  
anniversary months and no domestic  
interested party objects to the revocation  
or requests an administrative review.

We had not received a request to  
conduct an administrative review for  
the most recent four consecutive annual  
anniversary months. Therefore,  
pursuant to § 353.25(d)(4)(i) of the  
Department's regulations, on May 3,  
May 4, June 1, July 1, August 1,  
September 1, September 29, October 31,  
November 25, and December 28 of 1994,  
and February 3 and March 1 of 1995, we  
published in the **Federal Register** a  
notice of intent to revoke these  
antidumping duty orders and findings  
and to terminate the suspended  
investigations and served written notice  
of the intent to each domestic interested  
party on the Department's service list in  
each case. Within the specified time  
frame, we received objections from  
domestic interested parties to our intent  
to revoke these antidumping duty orders  
and findings and to terminate the  
suspended investigations. Therefore,  
because domestic interested parties  
objected to our intent to revoke or  
terminate, we no longer intend to revoke  
these antidumping duty orders and

findings or to terminate the suspended  
investigations.
